Both Pozimount Universal Mounts or Xactmatch Dedicated Mounts easily fit straight onto the mast of the stand or trolley, giving you the freedom to choose.

4-way UK power socket included as standard. Located at the top of the mast (behind the screen), users can utilise the power and cable management straight away.

Running down the back of the mast is the cable management. Designed so that leads and wiring can be neatly and efficiently tucked away.

A series of slots run along the front of the Axia's mast allowing users to place the shelf at their optimum height.

Once the optimal location has been determined, simply screw and tighten into place. Shelves can support up to 20kg.
